Hot Tub cleanliness is paramount to prevent infection. For your own safety, it is essential that the water is kept clean as failure to do so results in the water balance changing which seriously diminishes the effectiveness of the sanitising chemicals. Our staff will check the chemical levels every day to ensure that the water balance and quality are correct. This is a safety requirement and insurance requirement.

Following our checks, if the Hot Tub water is found to be dirty due to misuse, it may be necessary for us to empty the Hot Tub and switch it off. We reserve the right to turn off the Hot Tub for the remainder of your stay.

If you wish to have the Hot Tub cleaned and refilled, this will incur an additional charge of £75.

Our aim is to have all the tubs ready for your arrival, however it might be the case that they are not fully heated to the correct temperature, but they don't take long to heat, so please be patient.

Rules for the Hot Tubs will be strictly enforced and are present for everyone's safety.

Vindomora Country Lodges take no responsibility for any accident, injury or health issue resulting from the use of the Hot Tubs.

The Hot Tub is quite deep and can be a little slippery so for caution there should always be a minimum of 2 people in the Hot Tub in case of emergency.
